Foreword

This year, SOCites have accomplished much. The Golden Bears made the name of South Oak Cliff known state-wide. The students have supported the school and have represented it with pride. They have proven that the Bears are the best, in everything they undertake. The lack of spirit and cooperation by a few has been plentifully reimbursed by the total co-operation of others. It has been the students that have made 1969 one of SOC's greatest.

The Den Staff Dedicates the 1969 Den to Coach Raymond Mattingly

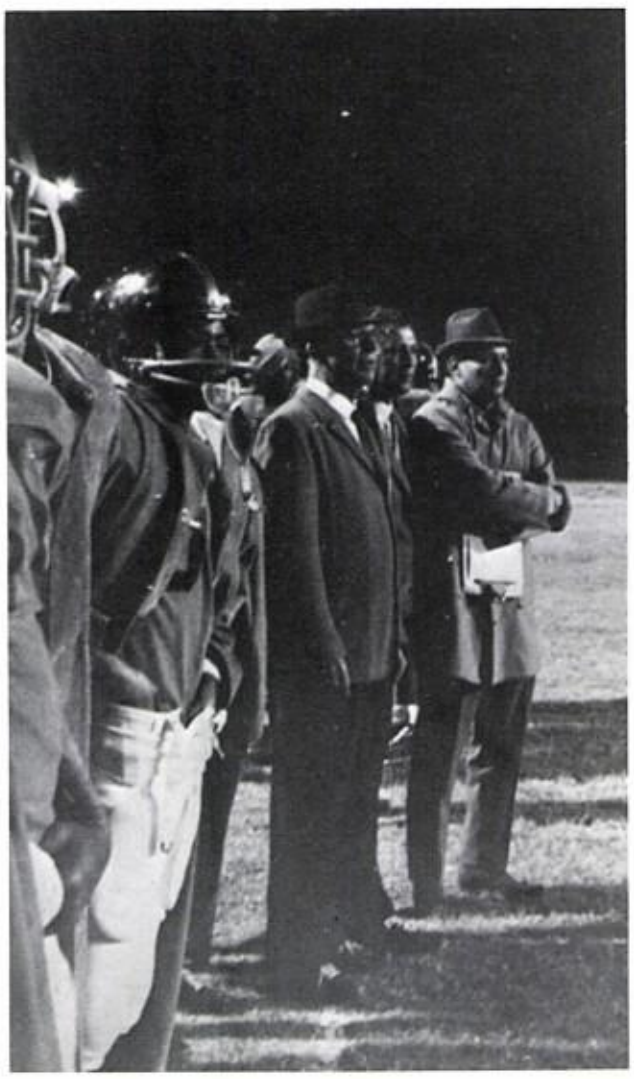
The Winning Team

The DEN Staff proudly dedicates the 1969 DEN to Mr. Raymond Mattingly. Through his fine leadership, our horizons have been extended scholastically, academically and personally. As a teacher, he has helped us learn. As a coach, he has helped us win. As a friend, he has taught us sportsmanship and self-respect. He is always ready to help, to smile, to say a friendly word.

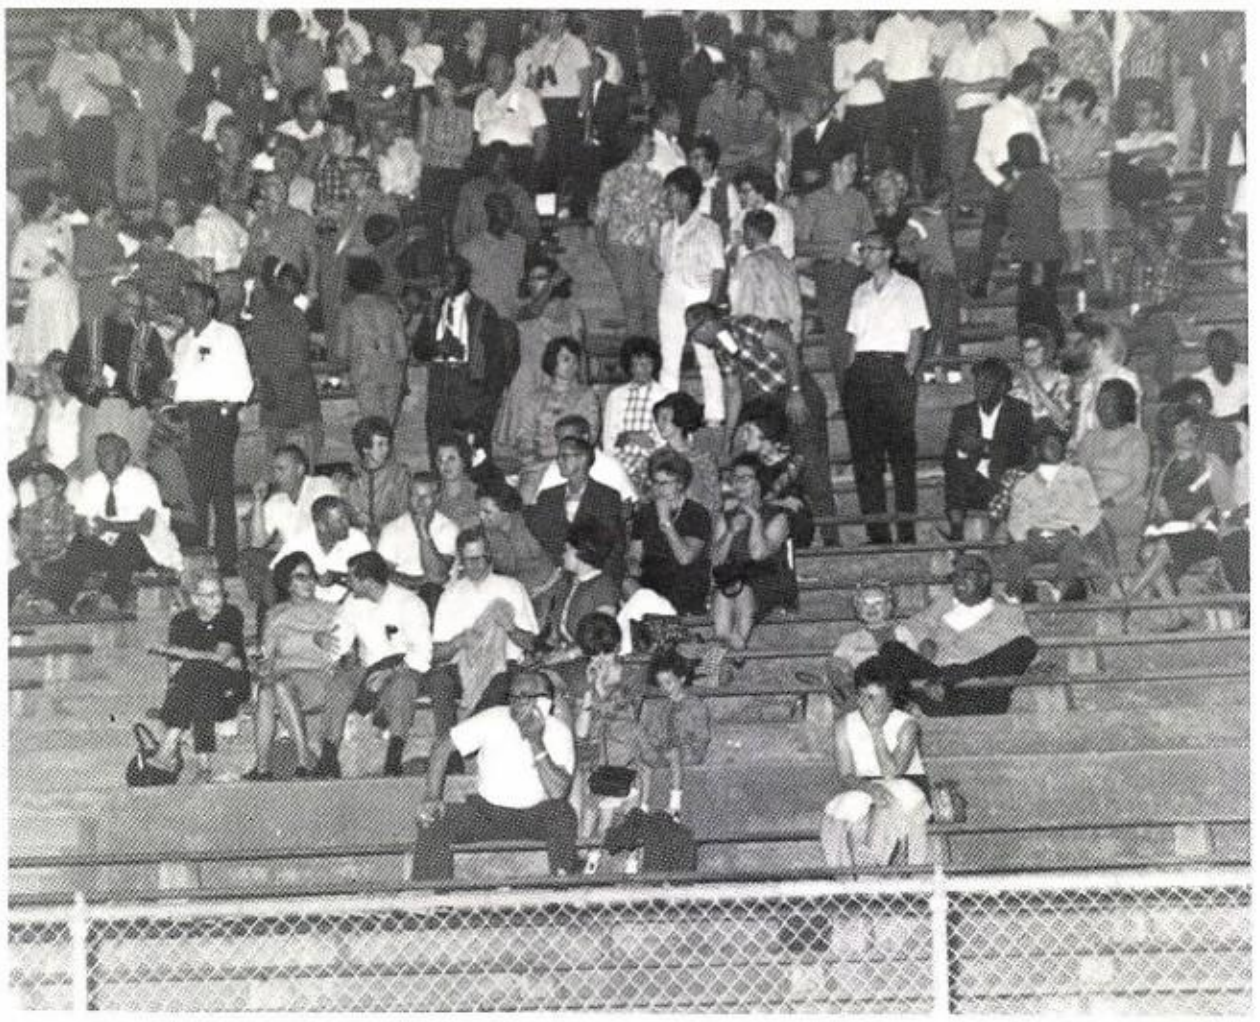
South Oak Cliff owes a great tribute to one of its finest leaders who led the Golden Bears to victory. This is only a small part of that tribute. With it goes the love and respect of the student body. In this way we honor you, Coach Raymond Mattingly.



A worried Coach

The Personal Touch

If he kisses me once, will he kiss me again?



That assembly was terrible!

These Are the Days . . .

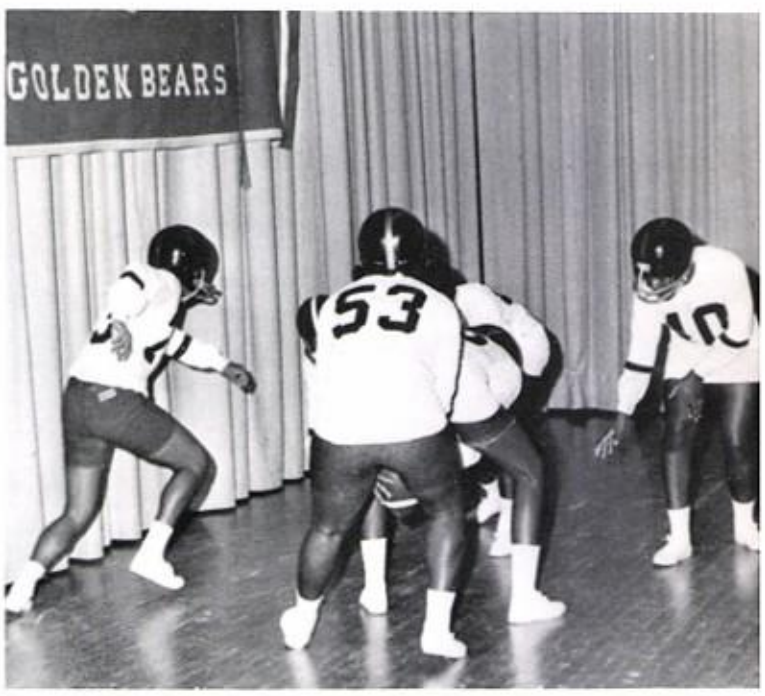
Watch it . . . it might be contagious.

Cheering on the Golden Bears

Give me the power!

SOC's own Golden Bears fought their way to a clear Regional record, only to lose at the hands of Houston. But, we, the student body, were behind you all the way. To prove this, we dedicate this spirit section to the 1968-1969 Football Team.

Mr. Manton gives the Punch-in-the Stomach Award



We're marching to Zion ...

Wish they'd hurry so we could go play dolls.

I think I'm gonna be sick ...

Poor Harvey ...

Stampede!

How was I to know everyone else was getting a tan!

Pinkston Assembly

Socites Meet the No. 1 Bears

Momma said there's be days like this.

SOC's Spirit Leaders

We're training for the Olympics

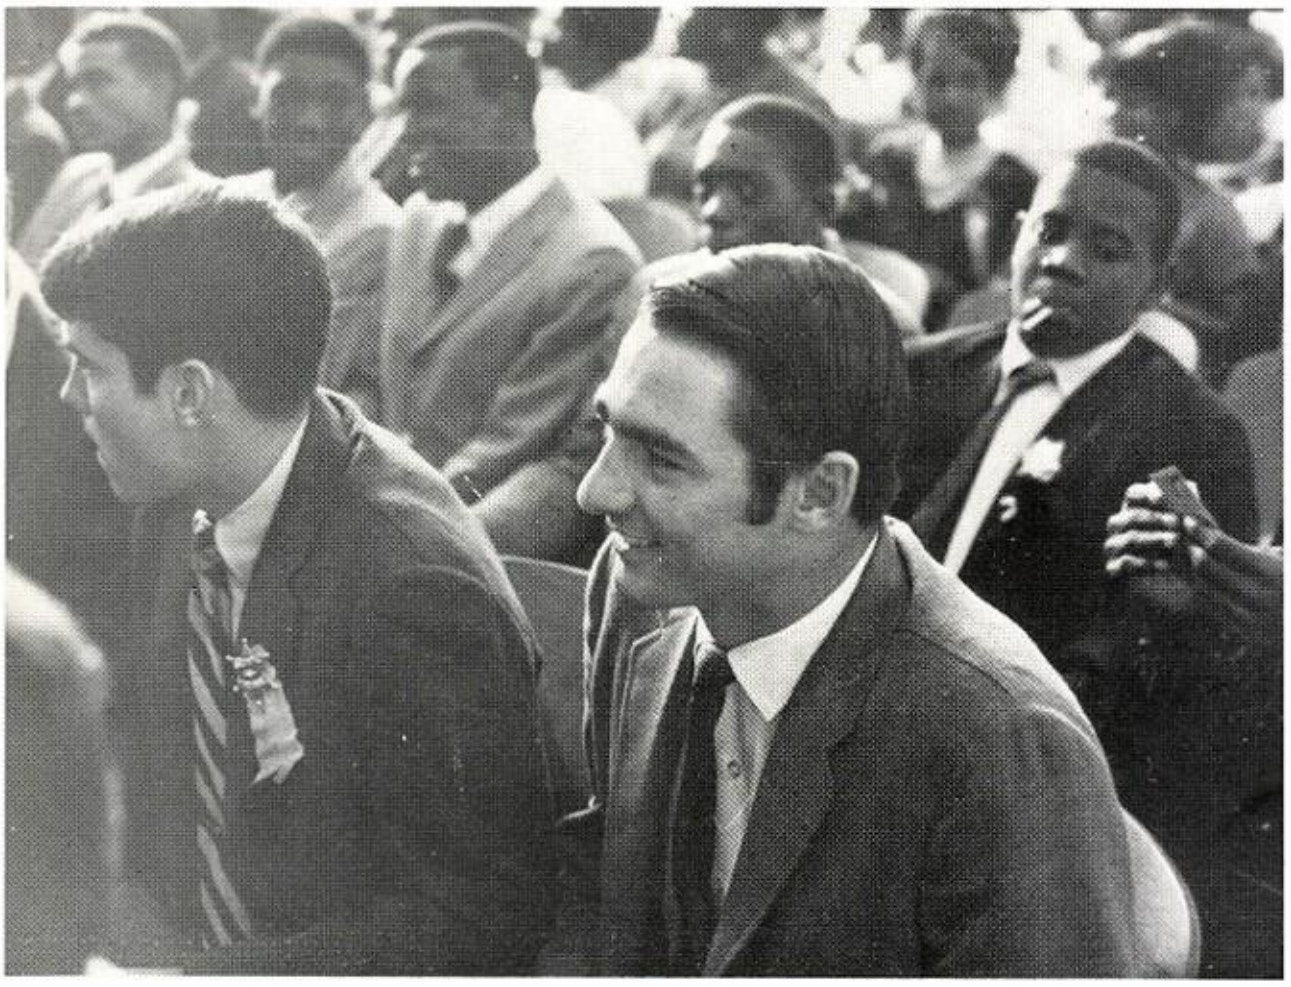
I'm ready!

The cheering section stands by.

South Garland Assembly

This time let's do it my way ...

Is this right?



The Bears absorb the fighting spirit of SOCites.

Go-Go-G o- GO!!!

SOC's Spirit vs. Adamson

Band belts out music(?) to watch BEARS by.

Woodrow Wilson Assembly

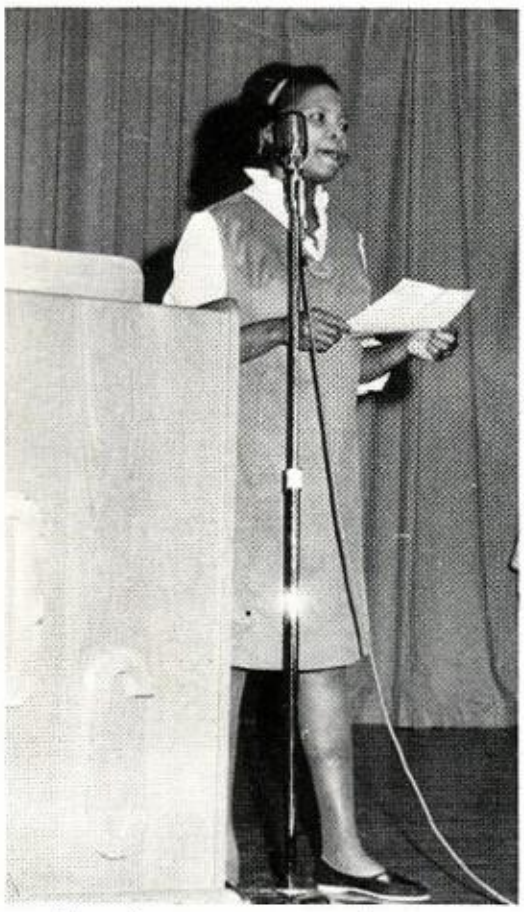
Been Bolsters Spirit

Bears enthusiasm runneth over . . .

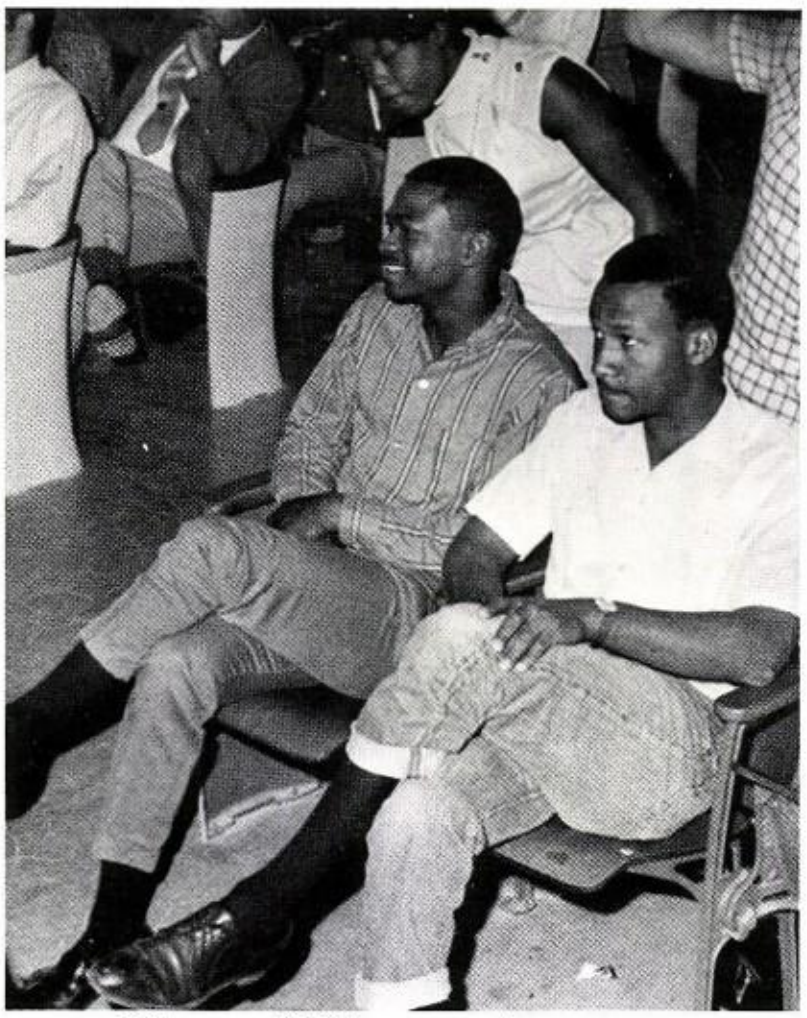
. . . and the Alma Mater is sung.

"Let's get out of here . . . FAST!!!

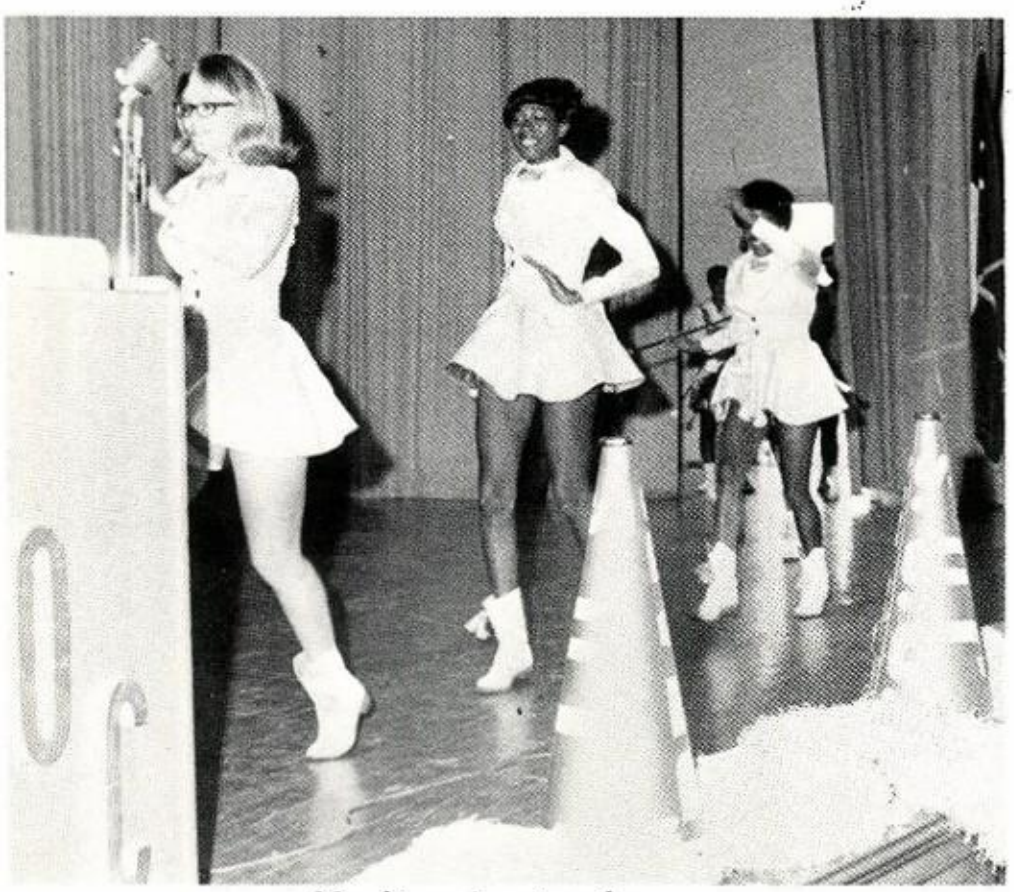
Booker T. Washington Assembly



Now here are your instructions.



Why worry? We're gonna win anyway.



Marching along together ...

What if I don't want to yell?

Steaming Up the Bear Spirit to Whomp the Bulldogs

This can't be right!

Sunset

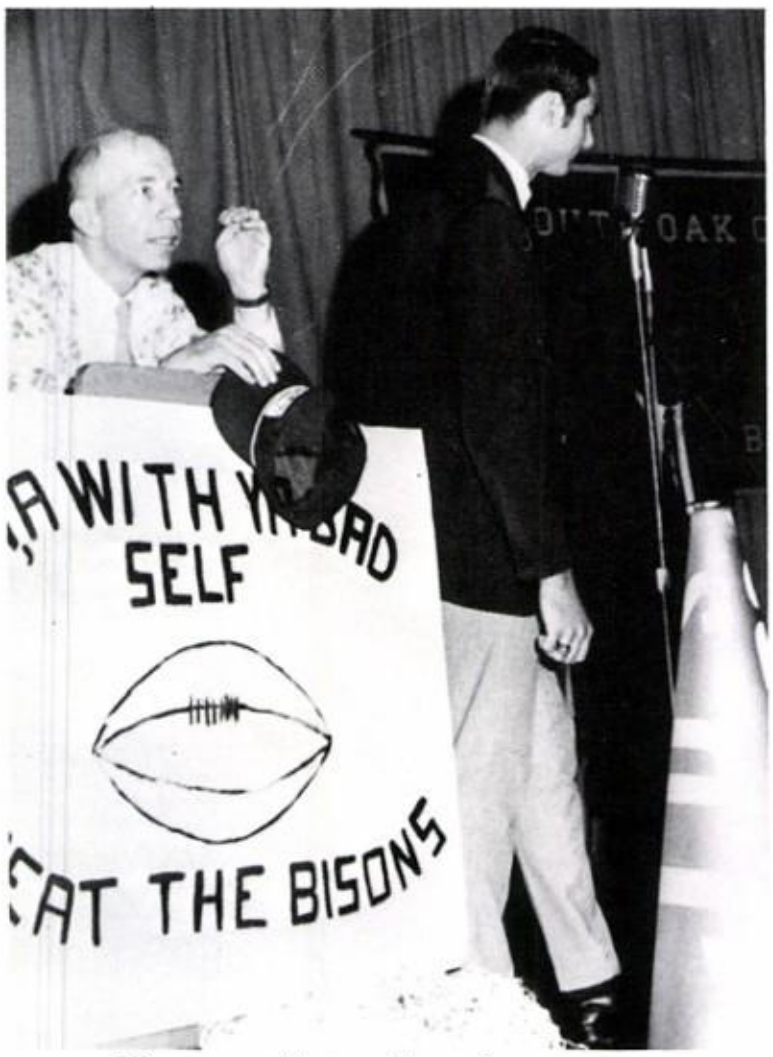
How would They like to be up here?

The good word for the day.

ATTACK!

Yeah! I learned how to do it!!!

... and if I am elected, I promise ...



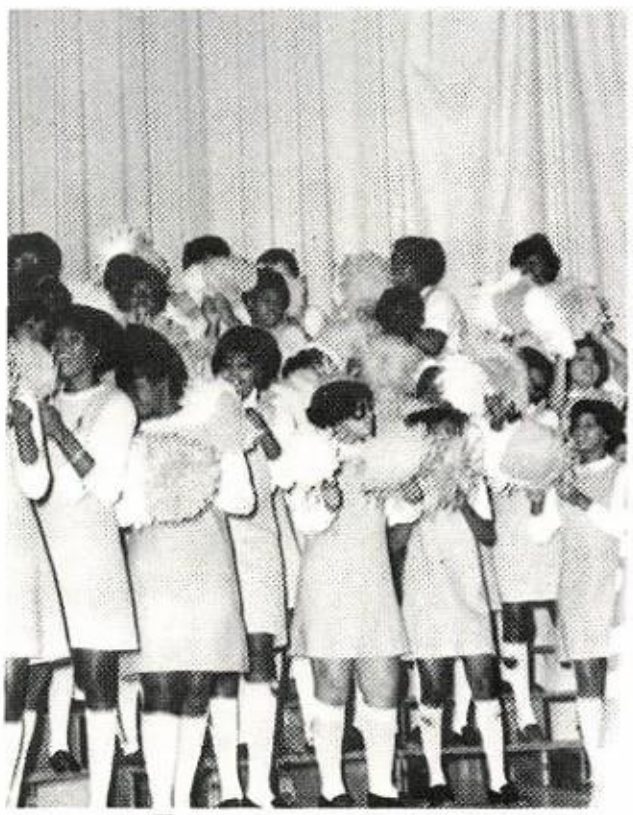
There was this traveling salesman, see ...

Why did I have to come?

1-2-cha-cha-cha ...

I just love all this admiration.

Arch of Triumph



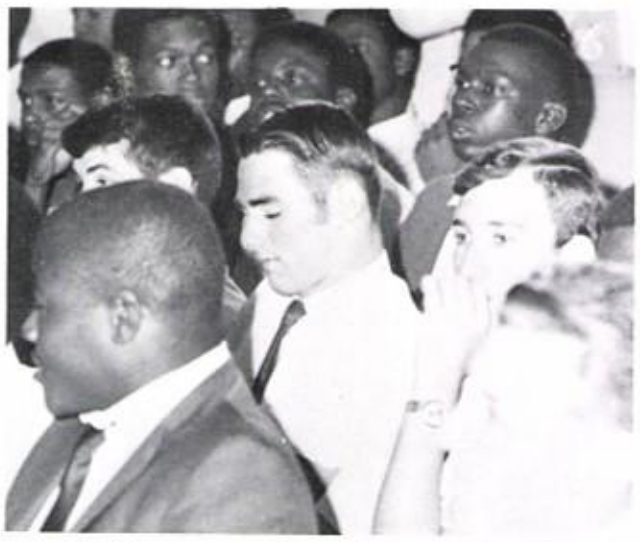
Trumpeteers sound off

Let me say this about that ...

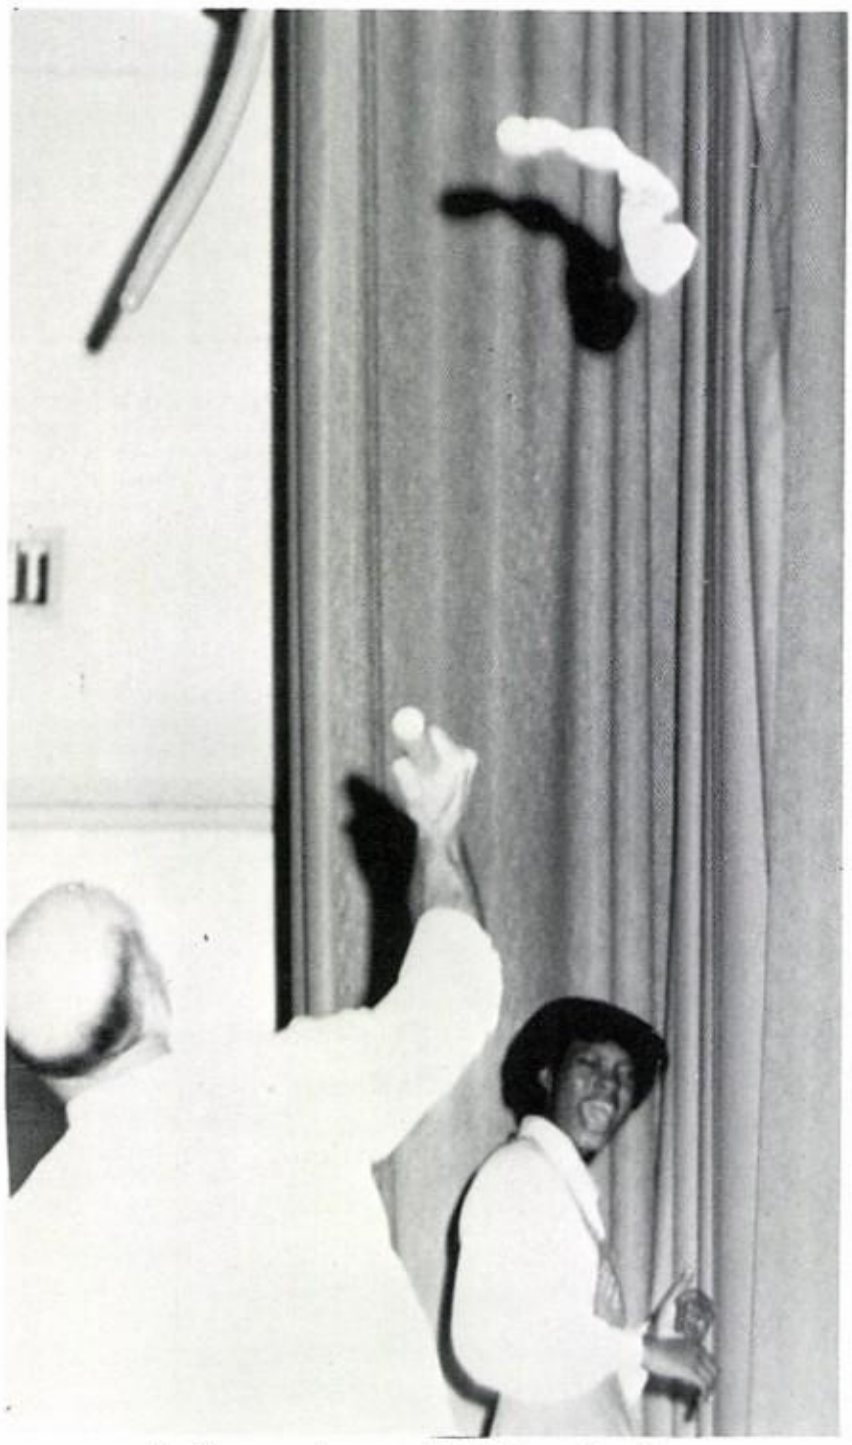
Knights Knocked Out by SOC Spirit

ON YOUR MARK * GET READY * Wait a minute ...

That doesn't look like school spirit to me ...



Wake me up when it's over, okay?



As the crowd roars, the balloon breaks.

We're supposed to cheer, not smile ...

KICK, one-two-KICK ...

Our Principal

Jolly F. Kelsay

In his sixth year at SOC, J. F. Kelsey has put forth his effort to make South Oak Cliff the "Home of the Champs." He has guided the student body to become one of the best in Dallas. Always willing to be of help, he gladly assists any student with his or her problem. He has made this year great, and will strive to keep this standard through the years to come.
